10. The government coerced the Federal Accounting Standards Board (FASB) to change Generally Accepted Accounting Practices (GAAP) to allow insolvent banks to carry worthless paper at face value on their books?

11. The national unemployment rate hit 9.7% in August, the highest in 26 years yet actual numbers are much higher due to the misleading way that the government counts the unemployed?

12. FIFTEEN states have run out of unemployment funds forcing them to borrow from the US Treasury? The states fund their own unemployment coffers, borrowing from the government when it runs out.

13. The Cash for Clunkers program was rife with fraud and waste and J.D. Power says that more than 70% of CFC sales may have happened later this year even if the government hadn't spent \$3 billion on the clunker program.?

14. That the US Government has helped the "Too Big to Fail" banks, like Bank of America, Citigroup and others, get even bigger?

15. That California is technically bankrupt yet they play "kick the can" by borrowing in hopes that the tax base will magically renew itself and cover expenses?

16. That President Obama PROMISED there would be no new taxes on the middle class but the proposed public health insurance program would be mandatory and fines would be imposed if you didn't participate?
